

## Advanced Skin Treatments for Men

Whether you want to reduce redness, acne scars, signs of aging, or sun damage, we have a range of targeted treatments designed to tackle these issues.

### Aerolase Treatment

Redness | Vascular Concerns | Acne

A gentle, fast laser that targets redness and acne, helping to even skin tone and reduce irritation. Visible results with minimal downtime or discomfort.

### VI PEEL Treatment

Melasma | Hyperpigmentation |  
Skin rejuvenation

Targets dullness, pigmentation, and sun damage to leave skin brighter and smoother.

### SkinPen Microneedling

Acne Scars | Collagen Remodelling |  
Improves fine lines

Uses tiny needles to stimulate collagen, improving texture and firmness. Great for uneven skin, acne scars, open pores and fine lines.

This is just a taste of what we offer. To find out what treatments are right for you, call the clinic to book a consultation with Elena Maxim, our Laser and Aesthetic practitioner.
